May 2017

Thank You!

It's hard to believe we are in the midst of planning for our 2017-2018 school year already. Teachers and administration are currently working to secure flights and travel arrangements for our yearly trip to Hillsdale College. We look forward to this time for our staff to collaborate with other teaching faculty from around the college, all while enjoying the beautiful campus of Hillsdale College.

In addition, we have been diligently working on plans for our upcoming new campus and high school. The application for high school is complete and will be submitted for approval this week.

In order to prepare for next year, we are eager to receive feedback on your family's experiences with PCCA this year. Please look for a link to our yearly survey to be sent to your email during the next week. We encourage all families to participate, as this gives us much-needed information on planning for our upcoming school year.

As the school year comes to an end, we cannot thank our PCCA family enough for the continued support and encouragement throughout the year. Your involvement in your child's school extends far beyond your family. By working together, we have created a community that supports the needs of ALL of our students, teachers, staff and families. We hope that all of our families have a wonderful and safe summer break. Should you have any questions over the summer, our office will be available to serve you Monday-Friday, 8:00—3:00.

Sports Information

Calvary Chapel will be offering two Basketball camp programs and two Volleyball camp programs. Registration agreements will be emailed to all students that will be in 4th –8th grade for the 2017-2018 school year.
